

GRANDE TRAVERSEE DES ALPES - 4th section

From Larche to Menton

Cross the Alps meeting people and mountains... The Grande Traversée des Alpes (GTA) between Lake Geneva and the Mediterranean is a long-distance hike. The opportunity to take a long break and put daily life aside. This itinerary runs along the Swiss and Italian borders while crossing five counties and some of the most famous mountain ranges in the Alps.

4th section: from Larche to Menton - Ubaye, Mercantour, Vallée des Merveilles

The fourth section starts from Lake Geneva and goes to Menton. This section has an incredible diversity of landscapes, flora, heritage and the most remarkable architecture in the French Alps. From the highest summits of the Ubaye area, to the Mercantour lakes and its wide open space via the Vallée des Merveilles; you will be diving towards the Mediterranean sea via a multitude of valleys, mountain passes and typical mountain villages. Don't be fooled this is no beach holiday yet... the local terrain and the deep valleys make this section physically challenging. A dazzling experience.
