

CHAMONIX - ZERMATT 6 DAYS Comfort self-guided

Self-guided trek... with the added bonus of comfort!

The Haute Route from Chamonix to Zermatt is probably one of the most famous routes in the Alps, connecting two mountain capitals, steeped in history by high altitude trails. But six days is not enough!
This proposed route focuses on the Swiss landscapes. The trail leads us to the "Land of the 4000m" surrounded by an incredible panorama of high peaks known as the "Imperial Crown", ending in Zermatt at the foot of the legendary Matterhorn (4478m). A pyramid of rare elegance, the most mythical and most photographed summit of the Alps and the symbolic image of Switzerland.
Go self-guided, let us organise the rest...
